Vote to Support the Investment Manager that has a Strong Track Record of Outperformance

Ahead of the Royce Value Trust, Inc. (the “Fund”) Special Meeting of Stockholders (the “Special Meeting”) scheduled to be held July 14, 2020, you are being asked to approve a new investment advisory agreement¹ with the Fund’s investment manager, Royce Investment Partners (“Royce”)², **that will ensure that Royce continues operating the Fund and executing the differentiated strategy that is delivering strong returns for you year after year.**

Vote **“FOR”** the new agreement with Royce, which is building on the Fund’s proven track record of outperformance by...

Consistently outperforming the Fund’s benchmark³ over key timeframes, including over the past 1-, 3-, 5-, 20-, 25-, and 30-year periods ended 3/31/20, as well as since the Fund’s inception (11/26/86)⁴

Outperforming the Fund’s benchmark³ in the previous full market cycle period and from the 8/31/18 index peak through 3/31/20⁴

Outperforming the comparable open-end Morningstar category average (US Fund Small Blend)⁵ over key timeframes, including year-to-date and over the past 1-, 3-, 5-, 10-, and 15-year periods through 3/31/20⁴

Importantly, the new investment advisory agreement will be substantially identical to the current agreement. This means there will be no changes to the Fund’s portfolio management personnel, investment objective, principal investment strategy, or investment guidelines, and the contractual investment advisory fee rate will also remain the same.

If stockholders do not approve the new investment advisory agreement, the Fund may be forced to seek approval to liquidate. Liquidation could result in serious negative implications for long-term stockholders such as a meaningful loss of stockholder value during a period of significant market volatility as well as negative tax consequences.
